We apply for grants to stage community events or to improve our environment; run a Gardening Team to carry out additional work not performed by Bucks Council; look after the Residents Garden and Kingfisher Garden; participate in the forums established by Heathrow Airport to consult with the surrounding communities.

### Where and When do we meet?

We meet monthly, usually in the middle of the month at 7.30pm at Richings Park Sports Club. We welcome residents to attend, as the first 20 minutes of each meeting is open to the general public to raise any issues or concerns to the committee.

### Dear Resident

Welcome to this year's annual report. I hope you will be able to come along to the AGM and tell us what you want us to do for you and the area of Richings Park & Thorney.

We love life in Richings Park and Thorney, and we would like it to stay that way! We tackle many issues from the likes of Heathrow, North Park quarrying, Thorney Park spoil dumping, Data Centre planning proposals, and Thorney Business Park redevelopment.

**Planning** we continue to monitor proposed new developments. We object on behalf of residents when necessary and speak at planning committee meetings and appeals.

**Updates.** We aim to keep you updated via our website and the regular piece in The Local Directory Iver & Villages with all the latest news and how you can get involved.

We also use the street WhatsApp groups to send out information about upcoming events or items of immediate interest. We encourage all residents to join the one for their road so they can be kept up to date. Contact your road steward to join.
